### **A little bit about Ash...**

"For the last four years I have dabbled in many things; nannying, travelling, studying a variety of subjects, and working in jobs I never felt fit me. After visiting Mockingbird Lounge for the first time I set out on a mission to get a job here. After a lot of bugging Eve and a big suck-up email to Stacey I landed myself a Saturday shift, YAY! I'm finally working in a place I love and have found a study I'm passionate about; Building Design. 2013 feels great."

**THIS SUNDAY!**

**24th March**

Local author

R.J. Brown

is launching his second teen fiction book!
